

## **CORNHOLE RULES**

Boards will be placed 27 feet apart from front edge to front edge. 4 bags will be provided to each team, personal bags are not allowed. The front of the board represents the foul line. Players may not step in front of the board or behind the board. Players must remain within three feet of their side of the board.

### SCORING

Bag on Board = 1 point.

Bag through Hole = 3 points.

Bags that hit the ground prior to landing on the board or going into the hole do not count.

Any bag hanging off the board and touching the ground does not count. Any bag hanging in the hole only counts as 1 point.

Cancellation scoring is used at the end of each round. After all 8 bags have been thrown; the score is calculated based on the bags that remain on the board and have gone in the hole. If Team A has 4 points and Team B has 3 points, Team A will get 1 point.

A game is played to 21+. There is no win by 2 or bust rule for going over 21.

Games are limited to 30 minutes, highest scoring team wins. In the event of a tie, an extension will be given by a referee and rules will be outlined.

### GAMEPLAY

Starting team will be determined on-site at registration table. Players will alternate throwing their 4 bags down to the board on the other end. Throwing out of turn or outside the throwing box is a foul. The bag that was thrown when the foul occurred does not count and is immediately removed from play. In Doubles, partners stand on the opposite side from each other. This means that one player from Team A will throw from the right side of the board on one end and the partner will be throwing from the left side of the board on the other end. So, the team will be directly across from each other.

If you have any questions, issues with playing conditions or concerns about equipment, raise it prior to starting play. Maximum number of teams is 1024.
